

HYBRID

The word "HYBRID" is rendered in a highly stylized, gothic font. The letters are filled with a dark, textured material that resembles cracked stone or aged metal. The word is set against a dark, almost black background that is intricately decorated with swirling, thorny patterns and sharp, pointed shapes, giving it a menacing and organic feel. Below the word, a cracked, stone-like floor is visible, with a small, dark, rectangular object resting on it.
